ClickAway

EVERYTHING YOU NEED TO KNOW ABOUT BEING A IT TECHNICIAN FOR CLICKAWAY

The image shows the exterior of a ClickAway store. The building is light-colored with a blue awning over the entrance. The ClickAway logo is prominently displayed above the entrance, with the tagline 'COMPUTER SALES & SERVICE' underneath. A blue sign with white text is visible above another entrance to the right. The sky is blue with some clouds.

The IT Technician will receive devices from customers, listen, notate, and check-in devices. Technicians will run diagnostic tools on hardware and software of Apple, Android, Chrome, and Windows devices, networks, servers, printers, etc, and present findings and repair options to customers. Take appropriate steps based on authorization from customers to make repairs, replacements, installations, and/or upgrades to hardware and software, or replacement of customers' device entirely. Follow the appropriate standards of operation from check-in to resolution to check-out process. Throughout this process, the Technician will work closely with the Sales & Store Manager to maximize each invoice, communication often and thoroughly with customers, and provide outstanding service.
